

English

Think of something that you see at the seaside. It could be a fish, a boat, a whale or ice cream. Then write a seaside shape poem about it. A shape poem is in the shape of what the poem is about. It does not have to rhyme. Look at this one.

Create a friendly sea creature. Draw a picture and describe it using adjectives.

Music

Listen to music from different parts of the world. What instruments can you hear? Research what you have listened to and you could even try to write your own lyrics or make the instrument.

Art / DT

Make your own ice-cream with a couple of food bags, ice, salt, cream or milk, sugar or icing sugar and flavourings of your choice!

Instructions here...

<https://www.youtube.com/watch?v=vQWOI2yiGPI>

Alternatively, make some fruit ice lollies.

Design your own sandcastle. Draw a picture of what you would want your castle to look like. What would you use to decorate it? If you're lucky enough to have some sand you could have a go at making your design!

Summertime!

ICT

Complete a survey of your family's favourite ice-cream flavours. How can you present the results using ICT?

Maths

Create your own beach cafe menu including prices up to £1.00. Write how much change you would get from £1.00 if you buy one or more of the items.

PE

Practise Hopping jumping and leaping. How far can you go? You could even try to measure how far and record the results.

Geography

What features do you see at the coast? Can you draw and label a coastal picture?

History

Talk to older relatives and try to find out where they used to go on holiday. How is it different from today?

Science

A rockpool is a habitat for many creatures. Can you research some of these and write some facts? * Be a scientist and sort the sea creatures according to their habitat.

What is the weather like at the moment? Keep a weather diary. Tell me the difference between the seasons.
